Step Up For Students Scholarship

The **Florida Tax Credit Scholarship (FTC) and Family Empowerment Scholarship for Educational Options (FES-EO)** programs give families of K-12 students a choice of financial assistance toward private school tuition and fees, or helps with transportation costs for students to attend a public school different than the one the student is assigned to.

The **Family Empowerment Scholarship** (formerly Gardiner) allows parents to personalize the education of their children with unique abilities by directing money toward a combination of programs and approved providers. These include schools, therapists, specialists, curriculum, and technology – even a college savings account.

Has your child been bullied? If so, there's hope. **The Hope Scholarship** gives parents the option to place their child in a safer academic environment. The Hope Scholarship is for students in grades kindergarten through 12 who are enrolled in a Florida public school and have been bullied, harassed, assaulted, threatened and/or a victim of other violent acts.

The **Reading Scholarship** helps public school students in third through fifth grade who struggle with reading. The program offers parents access to education savings accounts, worth \$500 each, to pay for tuition and fees related to part-time tutoring, summer and after-school literacy programs, instructional materials and curriculum related to reading or literacy.
