Title I School

August/September 2021

Welcome East Bay Eagle Families!

The start of a new school year at a new school was a huge success! Thank you to our families who attended our Summer Sneak Peek events and the East Bay Nights to be well-informed for the first days of school. Students are now in a groove with arrival, daily schedule, and dismissal procedures. We were hopeful to return to a more routine school year, but with rise in COVID cases we are making adjustments for a more socially distanced lunch and dismissal format. We stress and expect frequent handwashing, provide air-purifiers in large areas, and social distance as feasible. The health and safety of our students and staff is our top priority. Thank you in advance for closely monitoring your child's health and keeping your child home if he or she shows signs of illness. Please monitor the district website for the most up-to-date COVID-19 response information. The Santa Rosa County School District seeks ongoing guidance from the Florida Dept. of Education, CDC, and Florida Dept. of Health as we move forward with opening schools in a safe manner.

Each month, I send home a newsletter with a school calendar on the back. Newsletters are also posted on our East Bay website. I encourage you to read the newsletter and stay involved with your child's educational journey.

A few reminders. Breakfast and lunch are free of charge this school year, but as a Title I school, we receive funding for instructional resources and technology from students who qualify for free/reduced meals. Parents, please apply! (website below).

The tardy bell rings at 8:20 a.m. Deputy Psinas directs traffic in the morning and afternoon. Thank you in advance for your patience with the afternoon car rider line. Last time to check-out students is 2:00 PM. If you have any questions please do not hesitate to call the front office or contact your child's teacher. As a team, we will work together to ensure your child has a terrific school year!  
-Mrs. Moslzy, Principal

In an effort to limit the number of people on campus and allow for social distancing, there will be **no guest dining at lunch during the first quarter. Thank you for understanding.**

### Virtual Open House PreK-Grade 5

Grades PreK-2, Monday, August 30, 6:00 p.m.

Grades 3-5, Tuesday, August 31, 6:00 p.m.

Teachers will send home online link to connect virtually.
