

# SOARING WITH DEPUTY PSINAS

East Bay K-8

November 2022

**HELLO NOVEMBER**

As we get into the holiday season, don't forget to keep your valuable items locked up. This is a busy time for thieves in the area. Make sure your cars stay locked at night and take any valuables or weapons out before you go to bed at night.

## Hands to Ourselves

Please remind your kids how important it is to keep their hands to themselves. Even innocent horseplay can result in injuries or serious accidents. Remind them fights and battery can lead to law enforcement action, so it's best to just not touch each other.

## Vaping

We've seen a huge uptick in the amount of students caught with vapes in our county. Please remind the students about the dangers of vaping. Also remind them there will be consequences through the school and through law enforcement if they are caught with one.

As always, please do not hesitate to contact me with any questions or concerns. Email is best, as I am usually out of my office interacting with all of our awesome students.

## Important dates to remember:

November 11th -Veterans Day

November 21st-25th - Fall Break!

**Contact Information:**  
Dep Jared Psinas #164

(850) 750-0134

## Safety Corner

Thanksgiving is the peak day for home cooking fires with more than three times the daily average for such incidents. Christmas Day and Christmas Eve ranked second and third, with both having nearly twice the daily average.

Stay in the kitchen when you are cooking on the stovetop so you can keep an eye on the food. Stay in the home when cooking your turkey and check on it frequently.

## Did you know?

You can report crimes or other suspicious activity anonymously through the Santa Rosa SpeakOut app or calling 850-437-STOP.

FORTIFYFL is another reporting app, allowing you to instantly relay info to law enforcement agencies and school officials.

It's important that if you see something to say something. All information is important and can be a real benefit to school safety.
